

A Strong Partner in Healthcare Distribution

This catalog is brought to you courtesy of your authorized CIDA healthcare distributor. CIDA, Inc. is a national association comprised of local, independently-owned medical supply distributors committed to high levels of service and satisfaction. CIDA distributors have provided physicians' offices, hospitals, nursing homes, laboratories and clinics with our extensive product offering for nearly 30 years.

As an authorized member of CIDA, your distributor is able to negotiate volume pricing and value programs on medical products and equipment. Their affiliation with CIDA provides you, the healthcare provider, the benefit of competitively priced national and private label products – combined with the personalized touch and service of a local distributor.

Originally founded as the Central Independent Dealer Association in 1979, CIDA, Inc. continues to narrow the gap between independent medical distributors and large regional competitors in the areas of pricing, products and promotions. The CIDA mission is to preserve and promote the freedom and spirit of the independent distributor.

Throughout this catalog you will see **CIDA**® brand products, along with our proprietary brands **Courier**®, **ProAdvantage**®, **RediScreen**™, **Omnicide**® and **Dermodine**™, as well as other brand name products from reputable, well-known manufacturers. Although most, if not all, of the national-brand products in this catalog are available through your CIDA distributor, manufacturers do reserve the right to sell through their respective distributors. Your CIDA distributor will advise you if there are any products that they cannot supply and will be able to show you similar products that are available to fit your needs.

Thank you for supporting your local independent healthcare distributor.

Please see the next page for more catalog information.

The **CIDA** Difference

Look for the **CIDA**® brand throughout this catalog wherever you see the black outlined box. →

CIDA brand products, exclusive to CIDA distributors, are field tested and carefully screened to meet our high standards before entering the marketplace. This kind of diligent scrutiny, plus thousands of satisfied customers over the years, assures you this brand is the best value.

HEALTHCARE PRODUCT CATALOG INFORMATION

Please note the following when using this catalog.

1. While most standard items are featured, some available items may not be listed. Please contact your CIDA distributor representative to assist you in finding exactly what you need.
2. During the two year shelf-life of this catalog, certain products and lines will be deleted and new merchandise will be added. Please feel free to contact your CIDA distributors representative about the availability of any item.
3. Authorized distributors vary geographically. Therefore, in some instances, your CIDA distributor may not represent a specific manufacturer that appears in this catalog.
4. Your CIDA distributor may carry products, lines and manufacturers that do not appear in this catalog. Your distributor can inform you of their complete manufacturer offerings, specialty products and additional private label products if available.
5. An effort was made to best match the catalog numbers and respective photos together; however, some photos shown may represent a similar item or an item with accessories or additional parts. Some products will vary slightly from the photo. **Please consult your CIDA representative about specific products before purchasing based on a photograph.**

TERMS

Regular terms of sales are extended by CIDA distributors to most customers with favorable credit. Long-term financing can be arranged. Please ask your CIDA distributor representative for financing details and terms and conditions unique to your distributor.

GUARANTEE

The products we have presented in this catalog have been carefully chosen from reputable, well-known manufacturers. In addition to their standard guarantee, the CIDA name should assure your complete satisfaction.

SHIPPING

Purchases are normally shipped the most economical way possible unless your order specifies the type of carrier desired (parcel post, express, freight or other). Should damage or shortages occur, please notify your CIDA distributor representative immediately so they can initiate the proper adjustment procedures.

PRICING

This catalog does not provide pricing information due to the constantly changing prices in the healthcare products industry which are affected by individual pricing policies, periodic cost adjustments and competitive factors existing in this distributor's market. Please contact your CIDA distributor representative for a quote with their current pricing.

We look forward to servicing your needs with a winning combination of

- **Quality Assurance**
- **Local Service**
- **Prompt Delivery**

- **Competitive Pricing**
- **In-Stock Warehousing**
- **Personal Attention**

CIDA HIGH SUDS INSTRUMENT DETERGENT

Concentrated powder and liquid are biodegradable with neutral pH. Contain rust inhibitors and rinsing agents. Hemolytic to remove blood.

- 09-0300 High Suds Liquid Detergent For Manual Cleaning, Gal, 4/cs
- 09-0405 High Suds Powder Detergent, 5 lb Tub, 6/cs

CIDA LOW SUDS INSTRUMENT DETERGENT

Biodegradable with neutral pH. Hemolytic to remove blood. Contains rust inhibitor and rinsing agent. Highly concentrated.

- 09-0350 Low Suds Liquid Detergent For Ultrasonic Cleaners, Gal, 4/cs

CIDA ENZYMATIC CLEANING SOLUTION

Disintegrates blood products. Neutral pH, bacteriostatic, double enzyme. Non-corrosive, safe for scopes. Cleans hard to reach surfaces. Can be used in ultrasonic cleaners.

- 09-0200 Enzymatic Cleaner, Gal, 4/cs

CIDA INSTRUMENT LUBRICANT

Non-silicone and non-toxic solution that eases stiffness. Steam permeable and water soluble. Prevents electrolysis on points and edges. Helps prevent rust.

09-0500 Instrument Lubricant, Gal, 4/cs

OMNICIDE® 14-DAY HIGH LEVEL DISINFECTANT/STERILANT

A 2.6% buffered glutaraldehyde that can be reused as a sterilant and high-level disinfectant on immersible lensed and heat sensitive instruments for up to 14 days. Safe for use on lensed instruments and is compatible with plastic, rubber, metal and other material used in medical and dental instrumentation and equipment requiring disinfection or sterilization. No dilution is required.

N099001 Omnicide® Gallon, 2.6% Buffered Glutaraldehyde, 4/cs

OMNICIDE® 28-DAY HIGH LEVEL DISINFECTANT/STERILANT

A long-life, buffered glutaraldehyde that can be reused as a sterilant and high-level disinfectant for up to 28 days. Recommended for immersible and heat sensitive instruments. Contains a surfactant to enhance the disinfection process and contains a rust-inhibitor to reduce corrosion. No dilution is required.

N099002 Omnicide® Gallon, 2.8% Buffered Glutaraldehyde, 4/cs

CIDA MICROSCOPE SLIDES

A complete line of slides for all disciplines; plain, frosted. Made of clear, noncorrosive, nonfogging glass with ground and polished edges. Superior wettability for use in Hematology. Pre-cleaned and ready to use. Double cellophane protection. Packaging: 10 gross/case.

30-1250 Plain Slides, 75 mm x 25 mm, 0.9 to 1.0 mm Thick
30-1251 Frosted End Slides, One Side, 75 mm x 25 mm, 0.9 to 1.0 mm Thick

PROADVANTAGE MICROSCOPE SLIDES

Made from finest sheet glass to assure smooth, flat surface. No striations, bubbles or ripples. Ground, smooth edges. Pre-cleaned and ready to use. 1.00 mm thick. 3" x 1". Packaging: 10 gross/case.

N467300 Plain Microscope Slides
N467311 Frosted Microscope Slides

REDISCREEN™ DRUGS OF ABUSE CASSETTE

The CLIA Waived, 6 panel test includes individually wrapped test cassette, dropper and test for AMP/COC/THC/M-AMP/OPI/PCP in urine.

2060 Drug of Abuse, CLIA Waived 6 Test Cassette, 25/bx

REDISCREEN™ REDI CUP™ DRUGS OF ABUSE - DOA

Cut-off levels meet SAMSHA standards. Performance comparable to laboratory screening methods. Clear and easy-to-read results. Self-contained cup minimizes collector exposure to urine. Results in five minutes. Flexible drug test combinations. Collect specimen and secure lid. Invert cup and place on a flat surface for 30 seconds. Place cup upright on flat surface. Read results in five minutes.

2054 Drugs of Abuse, 6 Test Includes M-AMP, COC, THC, OPI BZO & PCP, 25/bx

2055 Drugs of Abuse, 10 Test Includes: M-AMP, COC, THC, OPI BZO, PCP, TCA, MTD, AMP & BAR, 25/bx

REDISCREEN™ URINALYSIS REAGENT STRIPS - URS 10

Qualitative and semi-quantitative results. Screen for carbohydrate, metabolism, kidney and liver function and bacteria. Clear and easy-to-read results. Simultaneous determination of up to 10 parameters. One step, no added reagents. Dip test strip in urine sample for one second. Draw strip across the rim of the container to remove excess urine. Wait 30-60 seconds. Compare test strip to color scale.

2001 Urinalysis Reagent Strips, 10 Test Includes: Blood, Urobilinogen, Bilirubin, Protein, Nitrite, Ketones, Glucose, Specific Gravity, pH & Leukocytes, CLIA Waived, 100/bx

REDISCREEN™ FECAL OCCULT BLOOD TEST

2006 Fecal Occult Blood Test, Immunoassay Cassette Device, CLIA Waived, 20/bx

REDISCREEN™ H. PYLORI DEVICE

Individually packaged devices with disposable sample droppers, 20 disposable heparinized capillary tubes and dispensing bulb, 1 each Positive & Negative Control, 1 sample buffer.

2059 CLIA Waived, 20 tests/bx

REDISCREEN™ STREP A TEST THROAT SWAB

97% sensitivity. Equivalent results to a traditional swab culture. Add sample, wait five minutes and read results. Kit includes reagents, controls, tubes, swabs, and test strips. Remove strip from foil pouch. Add reagents to tube. Swab throat and add to reagent solution. Place test strip into solution. Read results in five minutes.

2033 Strep A Test Throat Swab Dipstick, CLIA Waived, 25/bx

REDISCREEN™ URINE HCG PREGNANCY CASSETTE DEVICE

99% clinical accuracy. 25 mIU/ml sensitivity. Some positive results can be seen in as soon as one minute. One step, no reagents. Remove cassette from foil pouch and lay on flat surface. Add three drops of urine to the sample well. Read results in three minutes for urine.

- 2036 Urine hCG Pregnancy Cassette Device, CLIA Waived, 25/bx
- 2036-100 Urine hCG Pregnancy Cassette Device, 25/bx, 4bx/cs

REDISCREEN™ URINE HCG PREGNANCY TEST STRIPS

99% clinical accuracy. 25 mIU/ml sensitivity. Some positive results can be seen as soon as one minute. One step, no reagents. Remove strip device from canister. Immerse the strip in urine sample. Read results in three minutes.

- 2032 Urine hCG Pregnancy Test Strips, CLIA Waived, 100/bx

REDISCREEN™ URINE/SERUM HCG PREGNANCY CASSETTE DEVICE

99% clinical accuracy. 25 mIU/ml sensitivity. Some positive results can be seen in as soon as one minute. One step, no reagents. Remove cassette from foil pouch and lay on flat surface. Add three drops of urine or serum to the sample well. Read results in three minutes for urine and five minutes for serum.

- 2012 Urine/Serum hCG Pregnancy Cassette Device, CLIA Waived, 25/bx

272011

272013

CIDA I.V. STANDS

Professional quality IV stands for hospital or home use. Conventional use or as an infusion pump stand. Height adjusts from 47" - 84 1/2". Epoxy coated steel base and no loss knob.
